**WALL CLOCKS**

## SPECIFICATIONS:

### Operating voltage:

1.5vdc

### Operating voltage range:

1.2 to 1.7vdc

### Current consumption:

12" approx. 0.11mA;

15" 130mA

### Motor output frequency:

1 Hz

### Operating temp range:

23°F to 122°F (-5°C to +50°C)

### Accuracy:

Typical ±1 Sec/Day

Nominal torque @ 1.5vdc: 12"

@1.5vdc=0.4 g/cm; 15"

@1.35vdc=50 µNm

### Quartz frequency:

32.768 kHz

Military Time 24 Hr Face

Our Aluminum Series battery clocks are ideal for schools, hospitals, state/federal buildings and offices. Clocks are provided in round aluminum cases with a polycarbonate crystal and bold, black numerals and minute markers on a non-yellowing white dial. Stylish hour and minute hands are aluminum with a black finish and a red sweep hand:

- Aluminum case with molded-in hanger
- Available in Standard and 24 Hour Face Designs
- Sweep second hand
- AA battery movement
- Made in the USA
- Battery Booster Pack Option makes clocks maintenance-free for up to 5 years
- Silent Sweep Option
- Autoset Option

## Accessories

**allé**

### Wire Clock Guard

Clock guards are the ideal solution for protecting your clocks against accidental damage and vandalism. Heavy-gauge steel wire and polycarbonate keep clocks safe and easily visible.

### Wall Hanger

Our high quality hanger is made for our 10, 12 and 15 inch molded clocks to keep your Allé wall clocks secure.

### Acrylic Clock Guards

Our clear guards are made from durable polycarbonate to protect against damage and vandalism while still providing clear visibility and a seamless look. Available in both round and square styles.

## Accessories

**allé**

We believe in the power of design and its ability to influence and elevate the quality of a space. Allé Designs was created with the concept to offer simple, beautiful and functional ancillary products.

### Metal Wastebaskets

Our Echo Series metal wastebaskets are manufactured using heavy gauge aluminum construction for use in demanding commercial environments:

- 100% Recyclable
- Made in the USA
- Rustproof bottom
- Use with or without a plastic liner bag

### Coat Trees

We offer a unique line of coat trees, coat racks and hooks to organize the work and collaboration space. Ideal for multi-use areas, private offices or wherever organization and storage are needed.

### Desk and Conference Pads

From the modern office collaboration space, to the personal desk area, Allé's desk and conference pads protect the work surface while adding color and defining space. Available in top grain leather, bonded leather, genuine leather and antimicrobial linoleum.

INDOOR & OUTDOOR PLANTERS | WASTE & RECYCLE RECEPTACLES  
WASTEBASKETS | DESK & CONFERENCE PADS | CLOCKS  
MONITOR ARMS | DESK AND TABLETOP ACCESSORIES

**ALLÉ DESIGNS** was created over 40 years ago with the concept to offer simple, beautiful, and functional ancillary products for commercial office spaces. Our full range of products, that are used and enjoyed every day, have one commonality — a lasting aesthetic that transcends short-lived trends.

Allé Designs office accessories are comprised of a broad category that includes wastebaskets, desk & conference pads, waste & recycle receptacles, and commercial grade planters for both indoor and outdoor applications. Allé offers the widest variety of products and the largest selection of finishes to complement any project. Custom materials and products are our specialty!
